EXPERIENCE

ASOS
Jul 2021 - Present

Senior Android Developer *(Jan 2024)*
Android Developer
Helping to build the ASOS android application. Modernising (MVP to MVVM, XML to Compose) + modularising legacy code , optimising build speed, adding new features, improving CI / CD automation, integrating / migrating / updating third party libraries in/out of the project. Ensuring low crash rates + healthy metrics, helping wider team deliver through code reviews, mentoring, pair programming.

Capital One
Jan 2020 - Jun 2021

Mobile Software Engineer
Designing and building large scale app features on Android and in cloud infrastructure for banking + creditwise application. Mentoring other engineers, leading on intent through to delivery and contributing to the wider mobile community

Nuom Agency
Apr 2018 - Jan 2020

Software Developer
Specialised in android, responsible for 6 android apps, 2 iOS apps, 1 Angular app, and continued consultancy work from placement on an SDK. Designed and architected mobile + web + API project solutions, often built on Firebase, AWS, or Craft CMS. Implemented CI/CD workflow for test + deploy of mobile apps

Uni Of Leicester
Sept 2014 - Sept 2018

Computer Science Degree BSc 🎓
1st Class

Placement Android App Developer at **Nuom Agency** for Year In Industry
